Our Purpose

We are committed to providing loving Christian Camps. We believe it is our responsibility to work with you in teaching and nurturing your child towards becoming a loving and caring individual. Our goal is that each child will strive to reach their fullest potential and discover their unique God-given gifts and talents.

▶ SUMMER SPORTS

Summer Sports Events

Throughout the summer kids will be able to rotate through 2 out of three sports events.

Those events are Soccer, Basketball and Cheerleading.

Our coaches and staff will impact your child's life in a athletic and spiritual way. Kids will have daily Sport Sessions throughout the day, allowing them to master drills and skills needed for the game. Along with opportunity for local competition. Our huddle time will give children opportunity to share what they have learned, how to work as a team. Most importantly how God fits into the big picture. At the end of camp parents are invited to attend a Sports Session, and awards ceremony.
